1) Clubes, Deportistas, Técnicos y Jueces/Árbitros

a) Actividades realizadas encaminadas a incrementar su número.

-La Federación de Ajedrez de la Región de Murcia, realizó todos los campeonatos autonómicos previstos en su calendario, tras un gran esfuerzo y un minucioso plan de reparto y distribución de los ingresos de la mejor manera posible, para intentar conseguir paliar la carencia de fondos, a la que nos hemos visto abocados en estos años.

La Federación de Ajedrez día a día y desde todos sus estamentos hace un esfuerzo para intentar implantar el ajedrez en todos los municipios de nuestra región, dando a conocer y divulgando la práctica y conocimiento de este deporte de la siguiente manera:

-Ayuda y asesoramiento técnico para la creación de nuevos clubes de ajedrez en localidades de nuestra región donde no existían o revitalización los existentes y que no funcionaban.

-Ayuda a los clubes que lo han solicitado, poniendo a su servicio personal técnico de esta FARM, para ayudar a los mismos en aquello para lo que se nos ha requerido.

-Subvención económica a los clubes que han realizado torneos y han tenido actividad con su participación en los Campeonatos Regionales individualmente o por clubes.

-Aumento en las ayudas a los participantes y clubes que nos han representado en los distintos Campeonatos de España

-Colaboración en la organización de cuantos torneos se han llevado a cabo en la Comunidad, con el envío del material necesario y aportando los árbitros y otros medios cuando así nos lo han requerido.

-Difusión del ajedrez en colegios de primaria y secundaria que lo solicitan a través de nuestros monitores, así como la colaboración en la organización de torneos en estos centros.

-Mantenimiento de torneos, como el Internacional Campus Universitario de Lorca en su 6ª edición, IV Festival de Ajedrez "Ciudad de Cartagena" etc. con la colaboración de las Concejalías de Deportes de los Ayuntamientos, otras instituciones y patrocinadores privados y facilitando así la participación de nuestros jugadores frente a jugadores importantes del ranking mundial y consiguiendo mejora en el nivel de juego y posibilitándoles la obtención de ELO y normas.

-Comunicación y la mayor difusión posible de nuestras actividades y de las relacionadas con el mundo del ajedrez, con el envío por correo de dípticos informativos a todo color y en cantidad suficiente, publicación y mantenimiento actualizado de la información en nuestra página web y en la de los clubes miembros de la misma.

-Ayuda y asesoramiento a todos los deportistas, creando nuevos torneos, sobre todo en zonas donde no habían, para que puedan participar y poner en práctica su afición al menor costo posible y ya contamos en nuestra Región con al menos con 5 torneos válidos para ELO Fide y Feda

-Mejora sustancial en los locales de juego, para que el deportista se sienta lo más cómodo posible y disponga al menos de los servicios mínimos para la práctica de su deporte.

-Ayuda económica a todos los deportistas campeones autonómicos en sus distintas categorías y por tanto representantes de nuestra Comunidad en los distintos campeonatos de España en que han participado, haciendo que su participación sea para ellos a coste cero.

-Colaboración con la Dirección General de Deportes en la organización y desarrollo del Deporte Escolar en todas sus fases y categorías, teniendo a nuestro cargo la dirección técnica y arbitral, así como la adecuación de salas de juego, material necesario y su correspondiente traslado.

-Divulgación del ajedrez base con apoyo a las Escuelas Deportivas Municipales, a las cuales se les ha facilitado la ayuda necesaria tanto de material como de asesoramiento técnico y colaboración económica, para la implantación de clases y organización de torneos.

-Participación en el Campeonato de España de Selecciones Autonómicas infantil, y nombramiento de un delegado/entrenador.

-Organización de seminarios de árbitros y monitores, para actualizar y mejorar todos los reglamentos de los distintos campeonatos autonómicos, estudiar las nuevas “Leyes del Ajedrez” así como toda la Reglamentación de Torneos de la FIDE (Federación Internacional de Ajedrez), para unificar criterios. Cursos para el estudio e implantación de nuevos programas informáticos dirigidos al emparejamiento de la competición, homologados por la FIDE e implantados por la FEDA

2) Aumento de la participación femenina

La participación femenina es algo mayor que el año pasado 2016, aunque el número de licencias ha bado algo. El aumento se produce sobre todo en las categoría inferiores y baja en las superiores. No obstante se mantiene un buen nivel de juego. El número de licencias femeninas representa aproximadamente un 8% sobre el total de licencias, observandose que en las categorías inferiores la difertencia es menor y lo que si se aprecia es un aumento del nivel de juego de las femeninas

No obstante desde todos los estamentos de esta Federación, hay que seguir motivándolas y poniendo los medios para que esta cifra vaya en aumento progresivamente.

3) Mejora del nivel deportivo de la Federación

En el año 2017 ha aumentado el nivel deportivo de la Federación con respecto al año pasado, el cual ya estaba bastante alto para una Federacion uniprovincial y con 451 licencias, ya que se han obtenido:

II Campeonato Regional Individual Absoluto Blitz (55 participantes)

Se disputó en Beniaján, en los locales del Restaurante Rincón Huertano donde la organización y los participantes se encontraron unos buenos salones y céntricos para jugar al ajedrez.

Estuvo organizado por la Federación de Ajedrez, con la colaboración del CAC Beniaján, en sesión de mañana.

Es la segunda vez que se hace un Campeonato Regional blitz válido para ELO FIDE y FEDA, con un ritmo de juego de 5 minutos por jugador mas 3 segundos de incremento por jugada.

El poco tiempo que disponen los jugadores para la partida lo hace altamente interesante a juicio de los espectadores por la rapidez con que tienen que realizar la jugada, lo que a veces casi que no da tiempo a la vista del espectador, lo que hace que sea apasionante.

Aunque el campeonato era absoluto contó con la participación de jóvenes jugadores, los cuales les motiva jugar con los mayores y además se establecieron además de los premios en metálico, unos trofeos a repartir por cada una de las clasificaciones por categorías
